Book in a Box Album

New teacher...Elsie

If you were one of the lucky few to be in the store when Elsie dropped in with her samples, you saw Linda's mouth drop open as Elsie presented sample after sample of beautiful work. We picked just a few that we knew our customers would love. For her first...It's a book! It's a box! It's a book in a box! This spacious mini has nine large flaps that create the front cover and inside pages. A unique album that is perfect for keeping your child's K-8 pictures, or any occasion that deserves a special place. As always you will choose your own paper to make the project your own. Bring your standard crafting supplies consisting of trimmer, adhesive, scissors, bone folder, ruler, corner rounder, scoring tools, etc. **Samples are in the store now.** \$17.50.pp

Paper Collage(an intuitive process of concealing and revealing, adding and subtracting until you reach a desired image.)

Many of you have admired the paper collages that Linda did at the McCord Gallery with dentist and paper collage artist Jim Pavlatos. We have secured Jim to do a one day workshop for us at CCC. In this one day workshop you will learn the techniques to create your own works of art. The day will be spent "making" papers, which really translates to painting, staining, bleaching, etc to get a variety of different texture and effects. You will explore the proper techniques, adhesives and materials and to the use of gels and mixed mediums to add visual texture as well as physical texture to their collages. Both those new to collage and people with previous experience will benefit from this course as it is designed to engage any level of interest. Supply list available upon registration. Stop in to see Jim's beautiful work. \$110 pp includes many unique materials necessary for class. A \$20 deposit will hold your spot until January 10th.

Saturday, January 14th, 9am-5pm
